17. No purchase, redemption or other acquisition of shares shall be made unless the directors determine that immediately after the purchase, redemption or other acquisition the Company will be able to satisfy its liabilities as they become due in the ordinary course of its business and the realizable value of the assets of the Company will not be less than the sum of its total liabilities, other than deferred taxes, as shown in the books of account, and its capital and, in the absence of fraud, the decision of the directors as to the realizable value of the assets of the Company is conclusive, unless a question of law is involved.

 - (a) a statement that the shares are mortgaged or charged;
 - (b) the name of the mortgagee or chargee; and
 - (c) the date on which the aforesaid particulars are entered in the share register.
24. Where particulars of a mortgage or charge are registered, such particulars shall be cancelled
 - (a) with the consent of the named mortgagee or chargee or anyone authorized to act on his behalf; or

25. Whilst particulars of a mortgage or charge are registered, no transfer of any share comprised therein shall be effected without the written consent of the named mortgagee or chargee or anyone authorized to act on his behalf.

LIEN

26. The Company shall have a first and paramount lien on every share issued for a promissory note, and the Company shall also have a first and paramount lien on every share standing registered in the name of a member, whether singly or jointly with any other person or persons, for all the debts and liabilities of such member or his estate to the Company, whether the same shall have been incurred before or after notice to the Company of any interest of any person other than such member, and whether the time for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such member or his estate and any other person, whether a member of the Company or not. The Company's lien on a share shall extend to all dividends payable thereon. The directors may at any time either generally, or in any particular case, waive any lien that has arisen or declare any share to be wholly or in part exempt from the provisions of this Regulation.
27. Subject to the terms of these Articles, the Company shall sell any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of fourteen days after a notice in writing, stating and demanding payment of the sum presently payable and giving notice of the intention to sell in default of such payment, has been served on the holder for the time being of the share.
28. The net proceeds of the sale by the Company of any shares on which it has a lien shall be applied in or towards payment or discharge of the promissory note or other binding obligation to contribute money or property or any combination thereof in respect of which the lien exists so far as the same is presently payable and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the holder of the share immediately before such sale. For giving effect to any such sale the directors may authorize some person to transfer the share sold to the purchaser thereof. The purchaser shall be registered as the holder of the share and he shall not be bound to see to the application of the purchase money, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the sale.

TRANSFER OF SHARES

29. Subject to any limitations in the Memorandum, shares in the Company may be transferred by a written instrument of transfer signed by the transferor and containing the name and address of the transferee, but in the absence of such written instrument of transfer the directors may accept such evidence of a transfer of shares as they consider appropriate.

30. The Company shall not be required to treat a transferee of a share in the Company as a member until the transferee's name has been entered in the share register.
31. Subject to any limitations in the Memorandum, the Company must on the application of the transferor or transferee of a share in the Company enter in the share register the name of the transferee of the share save that the registration of transfers may be suspended and the share register closed at such times and for such periods as the Company may from time to time by resolution of directors determine provided always that such registration shall not be suspended and the share register closed for more than 60 days in any period of 12 months.

TRANSMISSION OF SHARES

32. The executor or administrator of a deceased member, the guardian of an incompetent member or the trustee of a bankrupt member shall be the only person recognized by the Company as having any title to his share but they shall not be entitled to exercise any rights as a member of the Company until they have proceeded as set forth in the next following three Regulations.
33. The production to the Company of any document which is evidence of probate of the will, or letters of administration of the estate, or confirmation as executor, of a deceased member or of the appointment of a guardian of an incompetent member or the trustee of a bankrupt member shall be accepted by the Company even if the deceased, incompetent or bankrupt member is domiciled outside the British Virgin Islands if the document evidencing the grant of probate or letters of administration, confirmation as executor, appointment as guardian or trustee in bankruptcy is issued by a foreign court which had competent jurisdiction in the matter. For the purpose of establishing whether or not a foreign court had competent jurisdiction in such a matter the directors may obtain appropriate legal advice. The directors may also require an indemnity to be given by the executor, administrator, guardian or trustee in bankruptcy.
34. Any person becoming entitled by operation of law or otherwise to a share or shares in consequence of the death, incompetence or bankruptcy of any member may be registered as a member upon such evidence being produced as may reasonably be required by the directors. An application by any such person to be registered as a member shall for all purposes be deemed to be a transfer of shares of the deceased, incompetent or bankrupt member and the directors shall treat it as such.
35. Any person who has become entitled to a share or shares in consequence of the death, incompetence or bankruptcy of any member may, instead of being registered himself, request in writing that some person to be named by him be registered as the transferee of such share or shares and such request shall likewise be treated as if it were a transfer.

0084063.12

36. What amounts to incompetence on the part of a person is a matter to be determined by the court having regard to all the relevant evidence and the circumstances of the case.

REDUCTION OR INCREASE IN AUTHORIZED CAPITAL OR CAPITAL

37. The Company may by a written resolution signed by members holding not less than sixty percent (60%) of all shares amend the Memorandum to increase or reduce its authorized capital.
38. The capital of the Company may only by a written resolution signed by each of the members be increased by transferring an amount of the surplus of the Company to capital.
39. Subject to the provisions of the two next succeeding Regulations, the capital of the Company may only by a written resolution signed by each of the members be reduced by transferring an amount of the capital of the Company to surplus.
40. No reduction of capital shall be effected that reduces the capital of the Company to an amount that immediately after the reduction is less than the aggregate par value of all outstanding shares.
41. No reduction of capital shall be effected unless the directors determine that immediately after the reduction the Company will be able to satisfy its liabilities as they become due in the ordinary course of its business and that the realizable assets of the Company will not be less than its total liabilities, other than deferred taxes, as shown in the books of the Company and its remaining capital, and, in the absence of fraud, the decision of the directors as to the realizable value of the assets of the Company is conclusive, unless a question of law is involved.

MEETINGS AND CONSENTS OF MEMBERS

42. The directors of the Company may convene meetings of the members of the Company at such times and in such manner and places within or outside the British Virgin Islands as the directors consider necessary or desirable.
43. Upon the written request of members holding at least fifty percent (50%) of the outstanding voting shares in the Company the directors shall convene a meeting of members.
44. The directors shall give not less than 7 days notice of meetings of members to those persons whose names on the date the notice is given appear as members in the share register of the Company and are entitled to vote at the meeting.
45. The directors may fix the date notice is given of a meeting of members as the record date for determining those shares that are entitled to vote at the meeting.

46. A meeting of members may be called on short notice:
- (a) if members holding not less than sixty percent (60%) of the total number of shares entitled to vote on all matters to be considered at the meeting, or sixty percent (60%) of the votes of each class or series of shares where members are entitled to vote thereon as a class or series together with not less than a sixty percent (60%) majority of the remaining votes, have agreed to short notice of the meeting, or
 - (b) if all members holding shares entitled to vote on all or any matters to be considered at the meeting have waived notice of the meeting and for this purpose presence at the meeting shall be deemed to constitute waiver.
47. The inadvertent failure of the directors to give notice of a meeting to a member, or the fact that a member has not received notice, does not invalidate the meeting.
48. A member may be represented at a meeting of members by a proxy who may speak and vote on behalf of the member.
49. The instrument appointing a proxy shall be produced at the place appointed for the meeting before the time for holding the meeting at which the person named in such instrument proposes to vote.

51. The following shall apply in respect of joint ownership of shares:
- (a) if two or more persons hold shares jointly each of them may be present in person or by proxy at a meeting of members and may speak as a member; and
 - (b) if only one of the joint owners is present in person or by proxy he may vote on behalf of all joint owners.
52. A member shall be deemed to be present at a meeting of members if he participates by telephone or other electronic means and all members participating in the meeting are able to hear each other.
53. A meeting of members is duly constituted if, at the commencement of the meeting, there are present in person or by proxy not less than sixty percent (60%) of the votes of the shares or class or series of shares entitled to vote on resolutions of members to be considered at the meeting. If a quorum be present, notwithstanding the fact that such quorum may be represented by only one person then such person may resolve any matter and a certificate signed by such person accompanied where such person be a proxy by a copy of the proxy form shall constitute a valid resolution of members.
54. An action that may be taken by the members at a meeting may also be taken by a resolution of members consented to in writing or by telex, telegram, cable, facsimile or other written electronic communication, without the need for any notice, but if any resolution of members is adopted otherwise than by the unanimous written consent of all members, a copy of such resolution shall forthwith be sent to all members not consenting to such resolution. The consent may be in the form of counterparts, each counterpart being signed by one or more members.

DIRECTORS

55. The number of class M directors shall be five, and the number of class B directors shall be five; provided that either class of directors shall be subject to elimination in its entirety automatically upon the redemption of shares pursuant to Regulation 16 above.
56. A director may resign his office by giving written notice of his resignation to the Company, and the resignation shall have effect from the date the notice is received by the Company or from such later date as may be specified in the notice.
57. With the prior or subsequent approval by a resolution of members, the directors may, by a resolution of directors, fix the emoluments of directors with respect to services to be rendered in any capacity to the Company.

58. A director shall not require a share qualification and may be an individual or a company.
59. Upon the written request of at least five (5) directors, the Chairman of the Board of Directors shall convene a meeting of the directors.

POWERS OF DIRECTORS

60. The business and affairs of the Company shall be managed by the directors who may pay all expenses incurred preliminary to and in connection with the formation and registration of the Company and may exercise all such powers of the Company as are not by the Act or by the Memorandum or these Articles required to be exercised by the members of the Company, subject to any delegation of such powers as may be authorized by these Articles and to such requirements as may be prescribed by a resolution of members; but no requirement made by a resolution of members shall prevail if it be inconsistent with these Articles nor shall such requirement invalidate any prior act of the directors which would have been valid if such requirement had not been made.
61. The continuing directors may act notwithstanding any vacancy in their body, save that if their number is reduced to their knowledge below the number fixed by or pursuant to these Articles as the necessary quorum for a meeting of directors, the continuing directors or director may act only for the purpose of appointing directors to fill any vacancy that has arisen, subject to any restrictions in the Memorandum or for summoning a meeting of members.
62. The directors may by resolution of directors exercise all the powers of the Company to borrow money and to mortgage or charge its undertakings and property or any part thereof, to issue debentures, debenture stock and other securities whenever money is borrowed or as security for any debt, liability or obligation of the Company or of any third party.
63. All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for moneys paid to the Company, shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as shall from time to time be determined by resolution of directors.

PROCEEDINGS OF DIRECTORS

64. The directors of the Company or any committee thereof may meet at such times and in such manner and places within or outside the British Virgin Islands as the directors may determine to be necessary or desirable.
65. A director shall be deemed to be present at a meeting of directors if he participates by telephone or other electronic means and all directors participating in the meeting are able to hear each other.

0084053 12

66. A director shall be given not less than 3 days notice of meetings of directors, but a meeting of directors held without 3 days notice having been given to all directors shall be valid if all the directors entitled to vote at the meeting who do not attend, waive notice of the meeting and for this purpose, the presence of a director at a meeting shall constitute waiver on his part. The inadvertent failure to give notice of a meeting to a director, or the fact that a director has not received the notice, does not invalidate the meeting.
67. A director may by a written instrument appoint an alternate who need not be a director and an alternate is entitled to attend meetings in the absence of the director who appointed him and to vote or consent in place of the director.
68. A meeting of directors is duly constituted for all purposes if at the commencement of the meeting there are present in person or by alternate not less than sixty percent (60%) of the total number of directors, unless there are only 2 directors in which case the quorum shall be 2.
69. If the Company shall have only one director the provisions herein contained for meetings of the directors shall not apply but such sole director shall have full power to represent and act for the Company in all matters as are not by the Act or the Memorandum or these Articles required to be exercised by the members of the Company and in lieu of minutes of a meeting shall record in writing and sign a note or memorandum of all matters requiring a resolution of directors. Such a note or memorandum shall constitute sufficient evidence of such resolution for all purposes.
70. At every meeting of the directors the Chairman of the Board of Directors shall preside as chairman of the meeting. The Chairman of the Board of Directors shall not, however, have the right to break a tie vote or have any other voting rights in addition to his right to vote as a director. If the Chairman of the Board of Directors is not present at the meeting the directors present shall choose some one of their number to be chairman of the meeting.
71. An action that may be taken by the directors or a committee of directors at a meeting may also be taken by a resolution of directors or a committee of directors consented to in writing or by telex, telegram, cable, facsimile or other written electronic communication by all directors or all members of the committee as the case may be, without the need for any notice. The consent may be in the form of counterparts, each counterpart being signed by one or more directors.
72. The directors shall cause the following corporate records to be kept:
 - (a) minutes of all meetings of directors, members, committees of directors, committees of officers and committees of members;
 - (b) copies of all resolutions consented to by directors, members, committees of directors, committees of officers and committees of members; and

- (c) such other accounts and records as the directors by resolution of directors consider necessary or desirable in order to reflect the financial position of the Company.
- 73. The books, records and minutes shall be kept at the registered office of the Company, its principal place of business or at such other place as the directors determine.

OFFICERS

- 74. The class M members and only the class M members shall be authorized to appoint by resolution a Chairman of the Board of Directors of the Company. The Company may by resolution of directors appoint other officers of the Company at such times as shall be considered necessary or expedient, including a Secretary.
- 75. The officers shall perform such duties as shall be prescribed at the time of their appointment subject to any modification in such duties as may be prescribed thereafter by resolution of directors or resolution of members, but in the absence of any specific allocation of duties it shall be the responsibility of the Chairman of the Board of Directors to preside at meetings of directors and members, and the Secretary to maintain the share register, minute books and records (other than financial records) of the Company and to ensure compliance with all procedural requirements imposed on the Company by applicable law.
- 76. The emoluments of all officers shall be fixed by resolution of directors.
- 77. The officers of the Company shall hold office until their successors are duly elected and qualified, but any officer elected or appointed by the directors may be removed at any time, with or without cause, by resolution of directors. Any vacancy occurring in any office of the Company may be filled by resolution of directors; provided, however, that the Chairman of the Board of Directors shall at all times be one of the directors elected by the class M members.

CONFLICT OF INTERESTS

- 78. No agreement or transaction between the Company and one or more of its directors or any person in which any director has a financial interest or to whom any director is related, including as a director of that other person, is void or voidable for this reason only or by reason only that the director is present at the meeting of directors or at the meeting of the committee of directors that approves the agreement or transaction or that the vote or consent of the director is counted for that purpose if the material facts of the interest of each director in the agreement or transaction and his interest in or relationship to any other party to the agreement or transaction are disclosed in good faith or are known by the other directors.

79. A director who has an interest in any particular business to be considered at a meeting of directors or members may be counted for purposes of determining whether the meeting is duly constituted.

INDEMNIFICATION

80. Subject to the limitations hereinafter provided the Company may indemnify against all expenses, including legal fees, and against all judgments, fines and amounts paid in settlement and reasonably incurred in connection with legal, administrative or investigative proceedings any person who
- (a) is or was a party or is threatened to be made a party to any threatened, pending or completed proceedings, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director, an officer or a liquidator of the Company; or
 - (b) is or was, at the request of the Company, serving as a director, officer or liquidator of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise.
81. The Company may only indemnify a person if the person acted honestly and in good faith with a view to the best interests of the Company and, in the case of criminal proceedings, the person had no reasonable cause to believe that his conduct was unlawful.
82. The decision of the directors as to whether the person acted honestly and in good faith and with a view to the best interests of the Company and as to whether the person had no reasonable cause to believe that his conduct was unlawful is, in the absence of fraud, sufficient for the purposes of these Articles, unless a question of law is involved.
83. The termination of any proceedings by any judgment, order, settlement, conviction or the entering of a nolle prosequi does not, by itself, create a presumption that the person did not act honestly and in good faith and with a view to the best interests of the Company or that the person had reasonable cause to believe that his conduct was unlawful.
84. If a person to be indemnified has been successful in defence of any proceedings referred to above the person is entitled to be indemnified against all expenses, including legal fees, and against all judgments, fines and amounts paid in settlement and reasonably incurred by the person in connection with the proceedings.
85. The Company may purchase and maintain insurance in relation to any person who is or was a director, an officer or a liquidator of the Company, or who at the request of the Company is or was serving as a director, an officer or a liquidator of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise, against any liability asserted

against the person and incurred by the person in that capacity, whether or not the Company has or would have had the power to indemnify the person against the liability as provided in these Articles.

Such authorization may be before or after the Seal is affixed, may be general or specific and may refer to any number of sealings. The Directors may provide for a facsimile of the Seal and of the signature of any director or authorized person which may be reproduced by printing or other means on any instrument and it shall have the same force and validity as if the Seal had been affixed to such instrument and the same had been signed as hereinbefore described.

DIVIDENDS

87. The Company may by a resolution of directors declare and pay dividends in money, shares, or other property, but dividends shall only be declared and paid out of surplus. In the event that dividends are paid in specie the directors shall have responsibility for establishing and recording in the resolution of directors authorizing the dividends, a fair and proper value for the assets to be so distributed.

ACCOUNTS AND AUDIT

88. The Company may by resolution of members call for the directors to prepare periodically a profit and loss account and a balance sheet. The profit and loss account and balance sheet shall be drawn up so as to give respectively a true and fair view of the profit and loss of the Company for the financial period and a true and fair view of the state of affairs of the Company as at the end of the financial period.
89. The Company may by resolution of members call for the accounts to be examined by auditors.
90. The first auditors shall be appointed by resolution of directors; subsequent auditors shall be appointed by a resolution of members.

0084063.12

 - (b) all the information and explanations required by the auditors have been obtained.
92. Every auditor of the Company shall have a right of access at all times to the books of account and vouchers of the Company, and shall be entitled to require from the directors and officers of the Company such information and explanations as he thinks necessary for the performance of the duties of the auditors.
93. The auditors of the Company shall be entitled to receive notice of, and to attend any meetings of members of the Company at which the Company's profit and loss account and balance sheet are to be presented.

94. Any notice, information or written statement to be given by the Company to members may be served in the case of members holding shares in any way by which it can reasonably be expected to reach each member or by mail addressed to each member at the address shown in the share register.
95. Any summons, notice, order, document, process, information or written statement to be served on the Company may be served by leaving it, or by sending it by registered mail addressed to the Company, at its registered office, or by leaving it with, or by sending it by registered mail to, the registered agent of the Company.

Whenever any difference or dispute arises between the Company on the one hand and any of the members or their executors, administrators or assigns on the other hand, touching the true intent and construction or the incidence or consequences of these Articles or of the Act, touching anything done or executed, omitted or suffered in pursuance of the Act or touching any breach of alleged breach or otherwise relating to the premises or to these Articles, or to any Act.
